

**PSST... There's A Web Audience Out There Waiting for You ...
Better Not Keep Them In Suspense Any Longer!**

***Choosing AsiaNet's privileged networks for your news delivery
will NET your organisation unmatched online exposure...***

Since we recognise that audiences no longer exclusively reside within traditional media,
our distributions target a vast selection of online databases and web sites.

AsiaNet's distributions can yield these www. benefits:

- ❖ Unparalleled exposure on several of the world's leading *News* agency websites - Malaysia's Bernama.com among them grossing 10 million-plus hits per month, plus a further 150 add-on web sites.
- ❖ *Electronic* distribution to AsiaPulse, Asia's pre-eminent commercial news - fed to many of the Internet's leading news outlets.
- ❖ Designated delivery from Yonhap News Agency to 45,000 major companies in South Korea.
- ❖ Going to thousands of journalists throughout India via Press Trust of India
- ❖ Unrivalled penetration of Japanese and Chinese-language web sites and databases...China's Xinhua News Agency delivers AsiaNet's full-text press releases bi-lingually to xinhua-news.com, together with an edited Chinese version, which reaches over 200,000 China-wide subscribers via its vast CEISC network.
- ❖ Exclusive *Transmission* to over 4,000 search engines, web sites and databases covering the United States and Europe's most prestigious investment houses, financial institutions and media when you distribute in these markets.

The result? Extra news value at no extra cost ...

We're making inroads on the Net so your news will too.
